Annie Jr. Based on the popular comic strip, *Annie Jr.* features everyone's favorite little redhead in her very first adventure. With equal measures of pluck and positivity, little orphan Annie charms everyone's hearts despite a next-to-nothing start in 1930s New York City. Annie is determined to find the parents who abandoned her years ago on the doorstep of an orphanage run by the cruel Miss Hannigan. Annie eventually foils Miss Hannigan's evil machinations, finding a new home and family in billionaire Oliver Warbucks, his personal secretary, Grace Farrell, and a lovable mutt named Sandy.

Little Mermaid Jr. Journey "under the sea" with Ariel and her aquatic friends in *Disney's The Little Mermaid JR.*, adapted from Disney's Broadway production and the motion picture (featuring the enormously popular Academy Award-winning music and delightfully charming book and lyrics). Based on one of Hans Christian Andersen's most beloved stories, *Disney's The Little Mermaid Jr.* is an enchanting look at the sacrifices we all make for love and acceptance. In a magical underwater kingdom, the beautiful young mermaid, Ariel, longs to leave her ocean home – and her fins – behind and live in the world above. But first, she'll have to defy her father, King Triton, make a deal with the evil sea witch, Ursula, and convince the handsome Prince Eric that she's the girl whose enchanting voice he's been seeking.
