BEAUTY AND THE BEAST JR. Disney's Beauty and the Beast JR. is a fantastic adaptation of the story of transformation and tolerance. Disney's Beauty and the Beast JR. features some of the most popular songs ever written by Alan Menken and the late Howard Ashman, along with new songs by Mr. Menken and Tim Rice. The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed to his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.

HAIRSPRAY JR. The 1950s are out, and change is in the air! *Hairspray Jr.* is the family-friendly musical piled bouffant-high with laughter, romance and deliriously tuneful songs. *Hairspray Jr.* is a show that will celebrate your students' diversity and bring audiences to their feet with its positive message and uproarious sense of humor. It's 1962, and spunky, plus-size teen, Tracy Turnblad, has one big dream – to dance on the popular "Corny Collins Show." When she finally gets her shot, she's transformed from social outcast to sudden star. In balancing her newfound power with her desire for justice, Tracy fights to dethrone the reigning Miss Teen Hairspray, Amber von Tussle, and integrate a TV network in the process. With the help of her outsized mom, Edna, and guest DJ, Motormouth Maybelle, the rhythm of Tracy's new beat just might prove unstoppable. *Hairspray Jr.* is filled with a host of parts for a wide cross-section of students and an abundance of energetic production numbers.
